New Faces, New Places – Constant Standard of Excellence Transitions in LBA Healthcare Consulting Services, LLC

JUNE 2008

“GENUINE BEGINNINGS BEGIN WITHIN US, EVEN WHEN THEY ARE BROUGHT TO OUR ATTENTION BY EXTERNAL OPPORTUNITIES.” – WILLIAM BRIDGES

Your LBA Healthcare Consulting Services team would like to take this opportunity to share some transitions that have and will be taking place in our department and team makeup.

First, we have two new team members that we wish to formally introduce and familiarize you with as our #1 goal is continued customer service and satisfaction.

Lee-Ann Schoedinger, RN, BSN, MSN, joined our team February 11th as the Team Manager for Healthcare Consulting. A graduate of Oxford University, Lee-Ann has worked in both the nursing and business fields. Her experiences prior to joining LBA include: Regional Sales and Marketing Executive for the UCB Bank in London, Senior Staff Nurse for the National Health Service in London, Research Coordinator (Cardiac Program) at SHANDS Jacksonville, Co-Founder and Editor in Chief of International Web Media, LLC, and finally a charge nurse with Baptist Medical Center.

Valerie Mahabub joined our team April 7th in the essential role as administrative assistant for LBA HCCS. Valerie is a native of New York, the wife of a Navy Sailor, and the proud mother of two. She and her family recently moved to Jacksonville from Davenport, FL. Valerie is currently pursuing her AA degree, and is becoming increasingly interested and involved in the medical field.

Please join us in welcoming these two wonderfully talented women to the LBA Healthcare team!

Finally, Laura Heimerl, who has been an integral member of the LBA Healthcare Consulting team since January 2007, will be leaving LBA, effective July 1st, to serve as the new Director of Development for Morning Star Catholic School. We will certainly miss her but wish her the best of luck in her new endeavor!
